December 2021

Head Held High, Marching Forward is the Premia Pride!

From the Editor's Desk

Greetings!

Reporting from the campus is much exhilarating! Our mentors once again proved to be agile as we transitioned smoothly into the hybrid mode with Academics, Events, and Competitions moving hand in hand. Covid norms are followed to ensure safety at all times. The quick rounds of snack time chats, corridor walks, a sneak-peek into other classrooms are ever so heartwarming with many AHA moments to celebrate!

League of the Lions

Stupendous Sports Week, 29 November -3 December 2021

Over 200 students came to celebrate the spirit of sportsmanship with enthusiasm, passion, and vigor!

The opening ceremony was marked by the Guard of Honour given to the dignitaries, mesmerizing invocation dance followed by the march past. Besides being spectacular, something inexplicably inspiring about the march past was the sense of dignity and pride in our fellow students. It was such a lovely sight to see the beautiful burst of colorful balloons rise up to commemorate the opening of the event. Students pledged to play fair for the honour of school and glory of sports. The flame was lit, our champs carried the torch to its final destination.

Another highlight of the event was the unveiling of our school mascots, '**Virtue**' and '**Valour**' lovingly called Vir and Val!

Each day of the week witnessed a plethora of games, races, and drills.

Events & Celebrations

Children's Day

This year it was a unique celebration. We were crowned by our mentors as we made an entry. A royal welcome indeed!

The day started with a special assembly and progressed with Fun in the Sun, Peek-A-Boo with our teachers, Curio box activities, and Stand Up Comedy by Rajasekhar Mammidana. There were smiles and laughter all around.

We thank our school management and dear teachers for making this day a memorable one!

First Aid & Accident Prevention Workshop

Dr. Sivaranjini's Empowerment Program for our faculty and parents was a very informative and an enlightening initiative.

She and her team covered various pediatric-related topics like seasonal infections-approach, prevention, vaccination, CPR training, and first aid for common problems like cuts, bruises, animal bites, choking, and sprain etc..

Joy of Giving- Visit to the Desire Society

Our heartfelt gratitude to everyone who stood by us for a good cause. We had a large hearted contribution of groceries, household items. Parents bought up-cycled items made by the students too. On the 4th of December, team of students, parents, and teachers visited the Desire Society- a home for children infected with HIV/AIDS to handover the same.

The look in their eyes said it all. We shall continue this little endeavor with your support.

Happy to be on campus!

Offline schooling begins with a bang

We are happy to welcome our juniors to the campus. The common assembly out in the open for all was like a dream come true. Something that we were missing online. Well, the day doesn't seem to be far when the entire Premia Pride will be together. The more the merrier is what we say!

“When I attend the online school, it feels like ages but in offline school it feels like seconds!”

Rida

“The school is really good. Offline is better than online. I am so happy to see all my friends and teachers!”

Samiha

“I was sad when my grandmother told me offline school may not start but I am happy now. It is so much FUN!”

Dhruv
