January 2022

**New Year, New Beginnings, Sky is the limit!**

## From the Editor's Desk

A Very Happy New Year 2022!

And suddenly you just know...

It's time to start something new and trust the magic of beginnings.

-Meister Eckhart

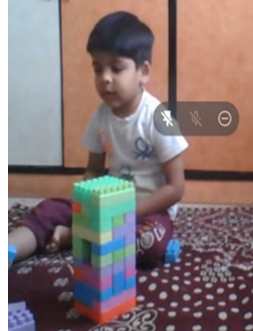

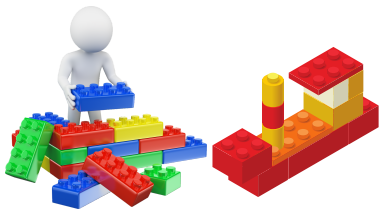

Look around, what do you see?

It all depends on what you wish to see. Our mind and attitude gets tuned accordingly. People with a positive outlook stay energetic and healthy. They turn every instance into an opportunity and make the most of it. The year has just begun, have faith, trust the power of being resilient but know when to look for a change!

# Events & Celebrations

## Christmas

Premia Pride celebrated Christmas with vitality. Dressed in Santa's favorite colours, Red and White, we sang carols, enjoyed the nativity play put up by our peers, and shared the goodies with the support staff.

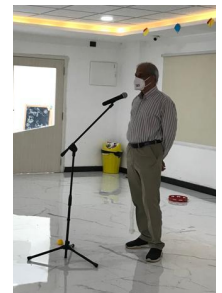

With warmth in our heart, each one of us created and exchanged a **Bag Of Joy**, filled with good thoughts - Secret Santa, the special way!

## Sankranti

The school pathway adorned with beautiful rangoli, the sky layered with colourful kites, folk music, traditional dresses, and the Bhogi Mantalu added to the true flavour of Sankranti.

The festive occasion was graced by our founder member, Mr. Pradeep Reddy and as the sun began its Uttarayan journey, we prayed together for peace, prosperity, and good health for all.

# My School, My Muse
