The Premia Pulse

July 2022

Healthy Mind, Healthier Heart, Healthiest Body!!

From The Editor's Desk

We are back at school- truly back! Neither online nor hybrid but all of us at the campus, the old and new blend of laughter knocking on the windows.

Picking up right where we left off. Just like a tree, we may be growing into different branches but our roots remain the same.

What's new on the block?

The Senior Secondary wing opened its door for the first time to the young aspirants of all three streams- Science, Commerce, and Humanities.

And Some More Fun?

We now have a new set of Visual Performing Arts and Sporting Activities to choose from- isn't it incredible!

It seems to be a promising voyage, let's sail together and create everlasting memories.

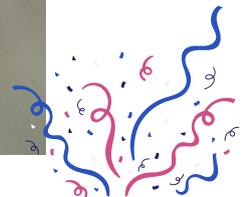

First batch of Grade XI- growing bigger each day!

Back To School

First Day Fun

Be it toddlers or seniors, the excitement of First Day at school is unmatched. This is the joy of commemorating the little things in life, here is to new beginnings!

Events & Celebrations

Father's Day 19th June 2022

Someone said, "A father is neither an anchor that holds us back, nor a sail to take us there, but a guiding light whose love shows us the way."

Yes, we agree and celebrated the day in our own way, applause of appreciation for all the dads, for making our lives better every day!

International Yoga Day - 21st June 2022

Intrinsic strength and internal dialogue are aspects that we can control. This is how we celebrated the International Yoga Day leaving our young souls nourished. It is not about being able to touch the toes, but unlocking the power of the mind!

National Doctor's Day 1st July 2022

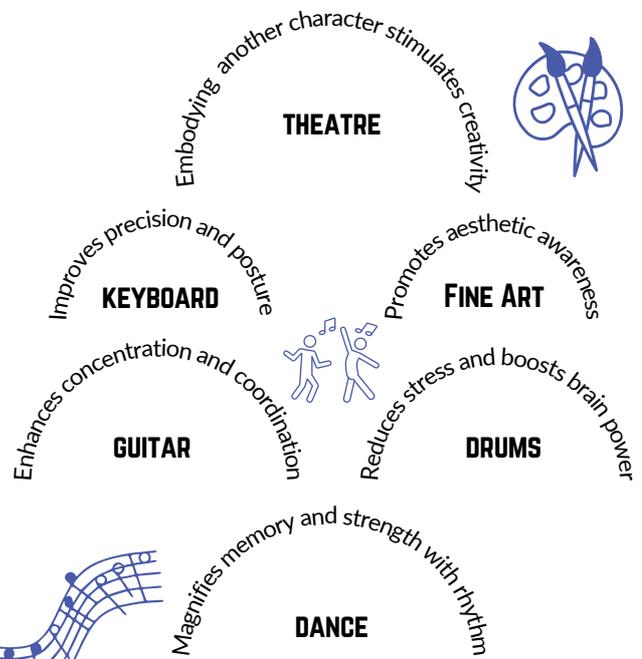

Rx...

We prescribe all doctors a whole lot of smiles and good health.

At Premia, Doctor's Day was dedicated towards offering immense gratitude and acknowledging their efforts in helping us staying healthy. A salute to the White Coat fraternity!

Visual Performing Arts

Sporting Activities

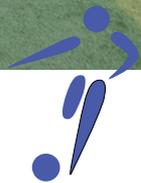

CRICKET- "A FLYING SIXER!"

Enables endurance in a friendly environment.

FOOTBALL- "GET THAT GOAL!"

Builds physical fitness, speed, and stamina.

MIXED MARTIAL ARTS- "HAIYA!"

Flexibility and spatiality honed!

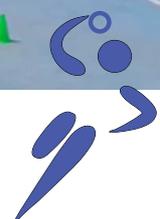

VOLLEYBALL- "AND SERVE!"

Improves energy levels and hand-eye coordination.

BASKETBALL- "SHOOT YOUR SHOT!"

Trains for full-body control.

Continuous Professional Development

Learning Never Stops

While we were on a vacation, our mentors took the road less taken!

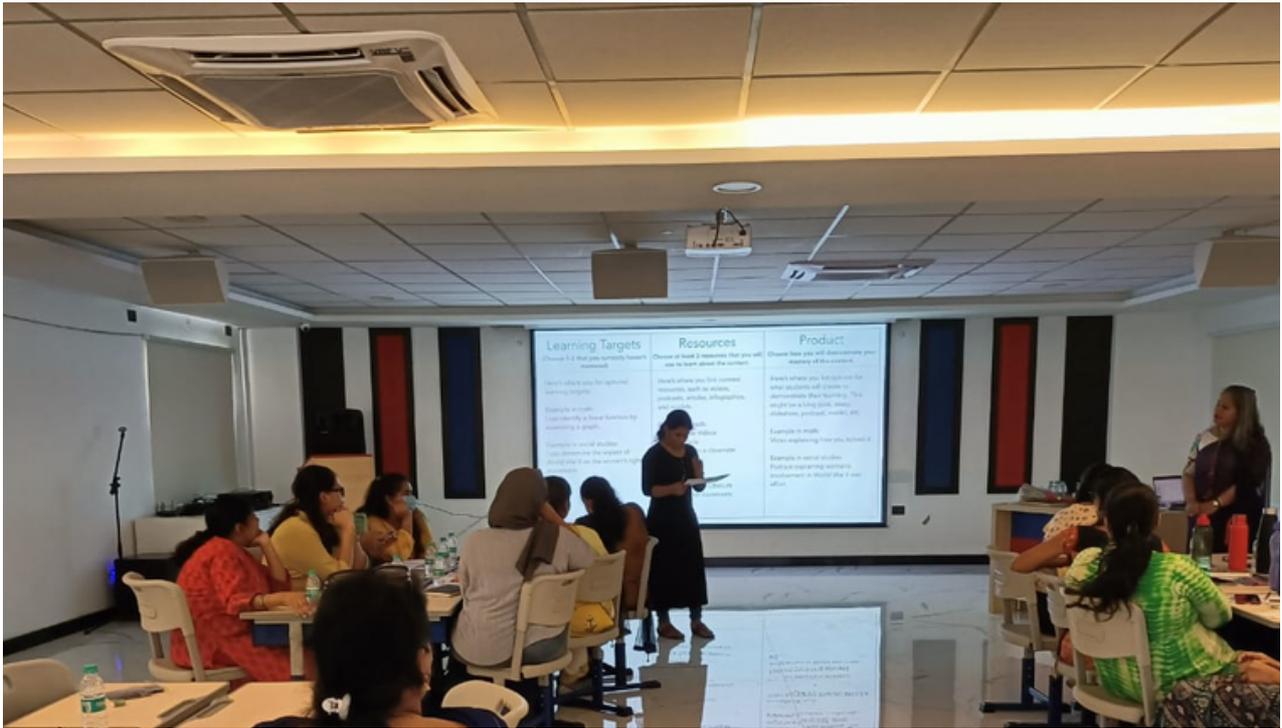

There are certain skills that we are well-equipped with and impart in practice. Then there are other skills that we can acquire. Continuous Professional Development (CPD) is quintessential for this purpose. To ensure that both theoretical and vocational qualifications do not become obsolete and to up-skill their proficiencies, our faculty attended a series of training sessions including First-aid and CPR.

Continuous Professional Development

- Multiple Intelligences, Energizers & Pacifiers- Ms. Sonal Andrews, IPTTA
- Teaching Concepts Through Games- Ms. Raeesa
- Classroom Management- Ms. Anuradha
- Why inquiry? Why plan?- Ms. Neerja Mony
- Design Like A Pro With Canva- Ms. Riya Rao
- Cyber Security Program- Think Works
- First Aid & CPR Training- Butterfly Hospitals

Our mentors - always eager to expand their learning curve!

Stronger than before, equipped to face any challenge!

Associated with Butterfly Hospitals to train our teaching faculty with first aid and CPR

Student Council Elections

Contestants campaigning with conviction - promising their voters of the extra-ordinary possibilities.

For, Of & By the students- A Fair Deal

One of the flagship events of the year is the election of the student body of governance. Young voters exercised their franchise through an e-ballot. Grade 5 students were seen flaunting the stained finger as it was their first time. Feeling empowered indeed! It was democratic in every way!

Student voice- standing for what you believe in

I voted- Exercising the power of choice

**And, the members of the Student Council are...
