The Premia Pulse

November 2022

Explore, Express, Endure, Elevate

From The Editor's Desk

Term II began on a dynamic note, with a little something to cater to all interests - be it academics, adventure, art or athletics!

The theme for Oct-Nov, *Past to Posterity*, also inspired the E4 Circuit this year, an exclusive student-led conference. We were in awe of the camaraderie and collaboration that The Premia Pride exercised as a part of this endeavour.

We have had a month dedicated to skill-building across disciplines and here's to making greater strides ahead!

Student Initiatives

Young Entrepreneurs at Work

The students of Grade VIII continued their efforts in the School Enterprise Challenge with a successful sale of their hand-painted diyas and Madhubani art frames.

Experience is the best teacher, and they are certainly developing essential life and business skills. Their teamwork was evident in how they shared the responsibilities!

Community Outreach

Helen Keller once said, "Alone we can do so little, together we can do so much,"

In the spirit of social responsibility and reaching out to others, the students of Grace Model School were welcomed by The Premia Pride to spend time sharing ideas, learning experiences, and also having fun.

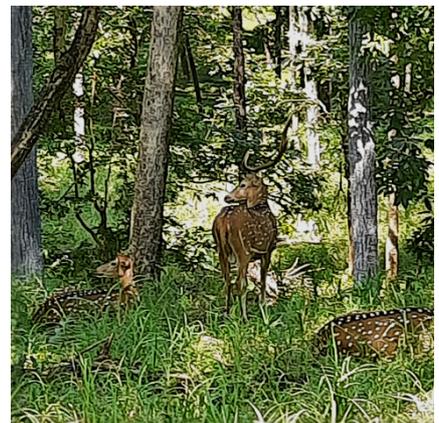

Learning has no limits!

Camping @ Pench National Park

A week of adventure!

The high school students made the most of their excursion to Pench National Park near Nagpur, Maharashtra in the last week of September. They spent 6 days in nature, spotting deers and tigers on a safari ride, getting adventurous on ziplines, bridges and treks through the forest. They wrapped up their days engaging in interactive sessions on Indian wildlife. It wasn't just about the destination, the train journey was memorable, too, as the students connected with each other in a wholesome way. They haven't been able to stop talking about it!
